## Artist Statement

Most of these pieces are Catherine Tate, who is my role model. I will continue to do more of her pictures. The Mark The Pig one, the first one is my favorite out of all. Then the next Mark The Pig one...I didn't like making that, but I had to.

# *The Doctor and Donna*

I picked up this fanart from the interwebs and I drew over it that was on the picture. Some things are different, not all.

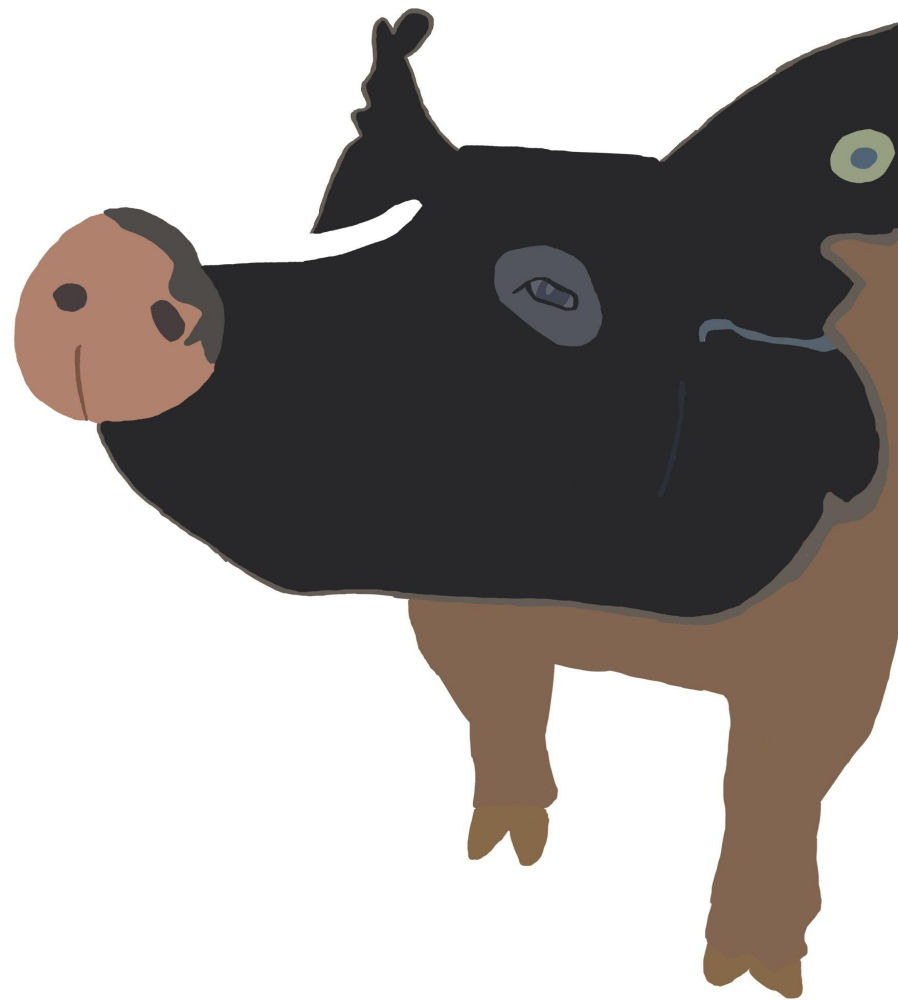

# *A logo for Salad Attack*

Just a logo made by me for a  
friend of mine.

# Mark The Pig without cruelty

I actually like this one...

# *Mark The Pig with cruelty*

My pig after he was abused...I  
had to make it.
